

Elect Open Enrollment Benefit Plans:

Open Enrollment refers to the period during which you can in enroll in a benefit plan or change your current benefit plan options. Before starting the open enrollment process, be sure to review your Current Benefits Summary, as well as your dependent information and your demographic information.

Log into the Mobile App with your UKG credentials - Select the Benefits tile:

Select update my benefits and sign in again using your UKG Pro credentials.

UPDATE MY BENEFITS 🔀 Sign in required
Select "Update my benefits" if you've had a qualifying life event such as getting married or an addition to the family. Changes will display after the effective date.
